

Make Road Safety a Priority

School Administrators:

Did you know?

Of the top 20 counties and communities in New York State for highest number of Traffic Injuries and Fatalities Rockland County Ranked 6th.

What can you do?

Schedule a **FREE** presentation for your students so they will learn how to stay safe. You will also get important traffic safety information for drivers and pedestrians that you can share with staff and parents. This 45-minute presentation can be done virtually or it can be an in-classroom presentation.

We cover the following topics:

- Bus safety
- Pedestrian safety
- Parking lot safety
- Bicycle safety

Call the Rockland County Department of Health

at 364-2500
