## BOARD OF WATER COMMISSIONERS

9 North Broadway, Nyack, NY 10960

(845) 358-0641

### **ASSISTANT OPERATOR, GRADE II-A (WATER TREATMENT)**

The Village of Nyack Board of Water Commissioners is seeking applicants for the position of ASSISTANT OPERATOR, GRADE II-A (WATER TREATMENT)

This is a 7/24 rotating shift position of routine, technical work involving responsibility during the absence of the Chief Operator or while assigned to a specific shift, for the safe and efficient operation and maintenance of a Type A potable water treatment plant. The work is performed under the general supervision of the Chief Operator who has responsible charge of the complete and actual operation of the plant.

#### **TYPICAL WORK ACTIVITIES:**

- Operates pumps, valves, motors and related machinery and equipment.
- Performs maintenance work and makes minor repairs to machinery and equipment.
- Records readings of meters, gauges and scales.
- Regulates and adjusts chlorinators.
- Washes filter beds and settling basins.
- Takes samples of water for testing.
- Makes necessary tests for control of plant operation.
- Keeps a log of plant operations and related records.
- Performs custodial duties in connection with the maintenance of water treatment plant buildings and grounds.
- May supervise the work of laborers and other subordinate employees; May assist in the instruction of trainees.

#### **FULL PERFORMANCE KNOWLEDGE SKILLS and ABILITIES:**

- Good knowledge of the practices used and the equipment required in the operation and maintenance of a Type A potable water treatment plant.
- Working knowledge of the principles and applications of physics, chemistry and bacteriology as they relate to water purification.
- Ability to operate and repair pumps, valves and related mechanical and electrical equipment ability to make routine laboratory and field tests for control of plant operation.
- Ability to read, understand and record data from gauges, scales and meters; ability to understand and carry out oral and written instructions; mechanical aptitude; alertness and dependability.

#### **MINIMUM QUALIFICATIONS:**

Possession of a valid Grade II-A or higher (Water Treatment) certificate is preferable but we will train and qualify the right candidate.

Certificate qualifications will require:

1. Graduation from high school or possession of an equivalency diploma.

2. Successful completion of appropriate level water treatment operator courses.
3. One (1) year of acceptable operating experience at a water treatment plant with facilities for filtration.

**Special Requirements:**

- This is a Civil Service position. Candidate must pass a future civil service test to retain the position.
- Must maintain the Grade II-A (Water Treatment) certificate throughout the course of employment.
- Candidate must be a resident of Rockland County, New York.

**Salary and Benefit:** The Village of Nyack Water Department offers a competitive salary and benefits package in accordance with current Union Contract.

Applications are available online, at the Village of Nyack Water Department office or email [Nyackwater@nyack-ny.gov](mailto:Nyackwater@nyack-ny.gov)
