RE: Child Support Certification

New York State law (General Obligation Law, Section 3-503) **REQUIRES** this office to gather information to allow the Department of Social Services to determine if applicants for a license issued by this office and those seeking to renew their license are in default of their obligation to pay child support.

Therefore, you must fill out the attached form completely and sign same before a notary. The information you supply will be checked by the Department of Social Services against a nationwide database to confirm that you are not in default on child support obligations.

**PLEASE TAKE NOTICE** that providing false information may result in criminal charges and, in addition, may result in the denial of your application or renewal of your license.

PLEASE TAKE FURTHER NOTICE that any persons who are four months or more in arrears in child support or who have failed to comply with a summons, subpoena or warrant relating to a paternity or child support proceeding may be subject to suspension of their business, professional, drivers and/or recreational licenses and permits including, but not limited to, licenses issued pursuant to section 11-0713 of the environmental conservation law.
