Kimberly Von Ronn, Esq.
Director and Public Advocate

Dear Contractor:

Chapter 286 of the Laws of Rockland County (formerly Rockland county Local Law No. 8 of 1984) requires persons doing business as home improvement and swimming pool contractors to obtain a Rockland County license.

Conducting a home improvement business in Rockland County without a license is a misdemeanor. The penalty upon conviction is a fine of **not exceeding \$1,000.00, or up to one year in prison, or both fine and imprisonment.**

Enclosed is a copy of this local law, general instructions, a license application, and other related forms. Before filling out the enclosed application forms, please be sure to read the instructions carefully. The application and experience record must be notarized.

If you are presently conducting or considering going into a home improvement business and have not obtained a license, I would suggest that you return this application to this office as soon as possible. An unlicensed contractor will be prosecuted to the fullest extent of the law. Please take note that the maximum penalty that can be imposed by a judge is \$1,000.00; and because a violation of this law is now a crime, we can go anywhere in New York State or adjoining states to apprehend and prosecute violators.

NOTE: THIS LICENSE DOES NOT CONSTITUTE A PLUMBING, HEATING, COOLING OR ELECTRICAL LICENSE.

NOTE: THE FILING OF AN APPLICATION DOES NOT CONSTITUTE PERMISSION TO OPERATE. A LICENSE MUST ACTUALLY BE IN POSSESSION OF THE LICENSEE BEFORE ANY OPERATION MAY BE LEGALLY CONDUCTED.

Enclosure
