Environmental Management Council

Working Group Meeting Minutes

Date: February 20, 2024

Time: 4:30 pm - 5:30 pm

**Location: Rockland County Executive Conference Room
Allison-Parris County Office Building
11 New Hempstead Road, New City, New York**

Native / Invasive Working Group Meeting

Members present: Joanna Galdone,, Glenn Sungela

Members absent: Catherine Mazzocchi

Staff Present: Brianna Rosamilia

1. Roll call was conducted, quorum was present, and meeting was called to order at 5:01 pm.
2. Motion made by Glenn and seconded by Joanna to approve 11/14/23 meeting minutes passed unanimously.
3. Glenn reported he cut the dead stalks at the pollinator garden at Kennedy Dells county park. County park operations staff removed them. Joanna suggested a best management practice of leaving the stalks until the spring so insects may use them and then composting them. One side of the protective fence around the garden was cut.
4. Updates were made to the working groups 2023 accomplishments and activities, and 2024 goals.
5. Meeting adjourned at 5:22 pm.
