

Suffern Lane at Hammond Rd (CR 47 and CR 94) Intersection Improvements

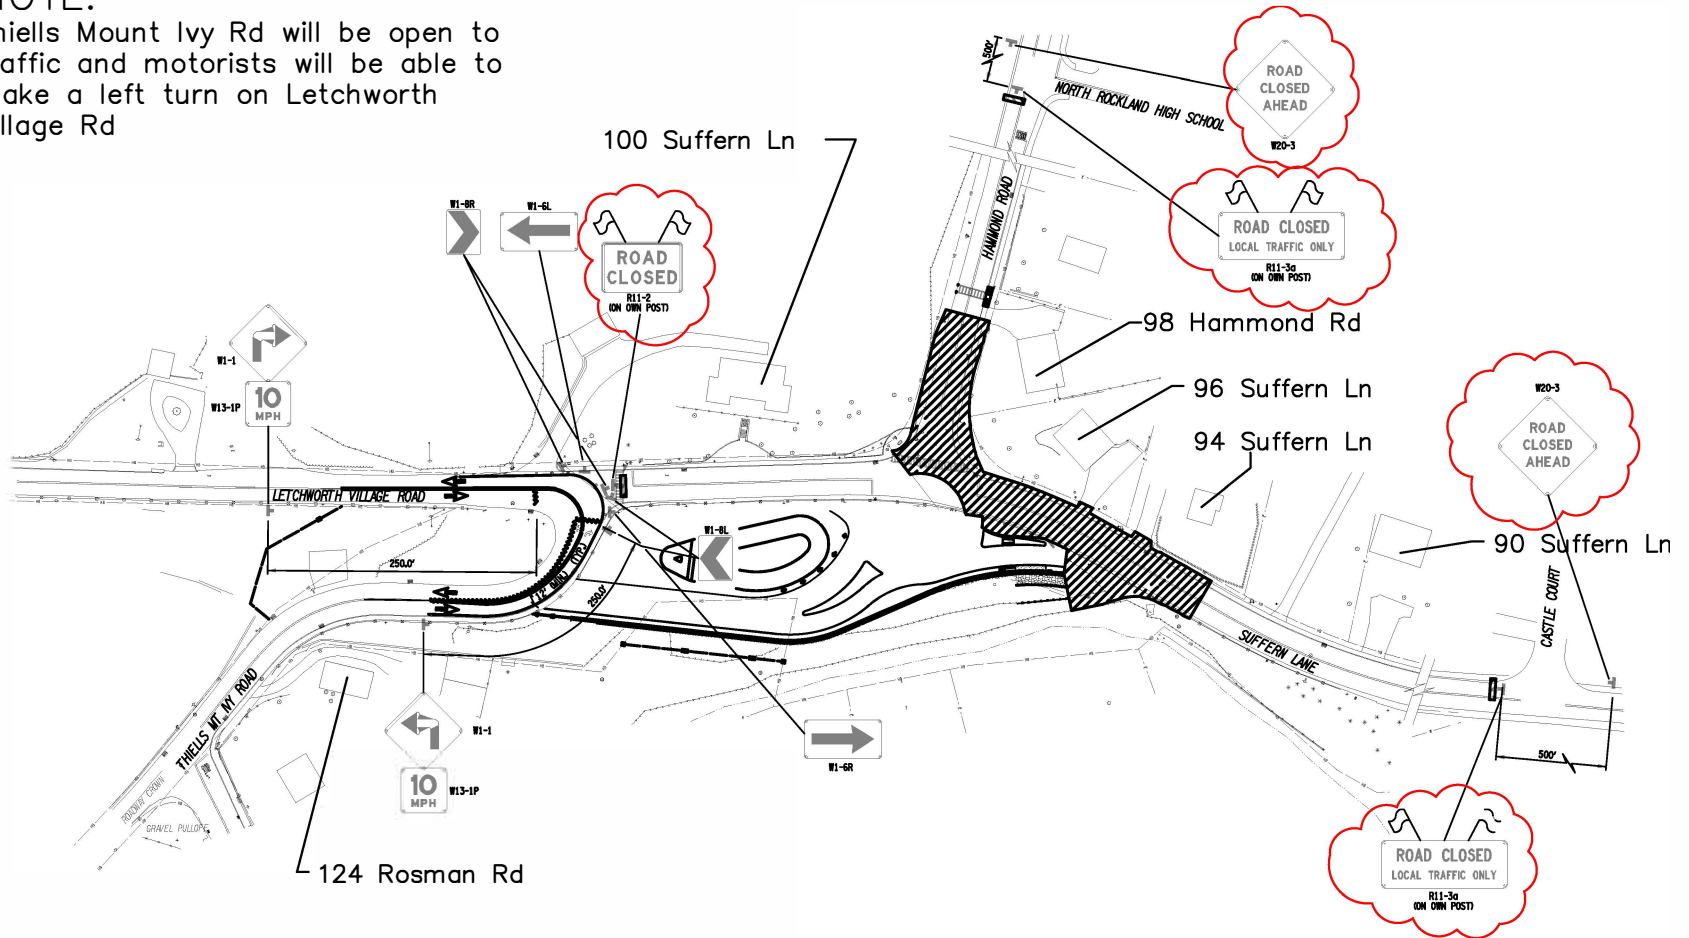

We thank you for extending your cooperation to facilitate the construction of new traffic circle (which will eliminate the traffic lights) and construction of new sidewalks for pedestrians. The estimated completion date for this project is June 27, 2025. We hope that this project will add value.

In order to construct this project, we will be closing the intersection at Hammond Road and Suffern Lane/Letchworth Village Rd as well as the intersection of Thiells Mt Ivy Road and Letchworth Village Road. Please see the attached maps for road/intersection closure details, signs, etc. to familiarize yourself with the closure. **The intersections will be closed starting on July 1, 2024.**

ROAD CLOSURE DETAILS (STARTING ON JULY 1, 2024)

NOTE:

Thiels Mount Ivy Rd will be open to traffic and motorists will be able to make a left turn on Letchworth Village Rd

SUFFERN LANE INTERSECTION DETOUR DETAILS
INTERSECTION WILL BE CLOSED STARTING ON JULY 1, 2024
PLEASE FOLLOW THE SIGNS AND DETOUR (OUTLINED IN RED)
